

Make a Bat Bookmark!

Read them today!

These bookmarks sit perfectly in the corner of the page. You can decorate them to look like your favourite characters!

You will need

- Coloured paper – 17cm square
- Scraps of coloured paper
- Scissors* • Glue
- Coloured pens

1 Place paper coloured side down and fold in half, corner to corner

2 Fold top down to meet bottom edge

3 Fold each bottom point in to meet at the middle, then open out again.

4 Fold bottom left point up to meet the top point

5 Fold bottom right point up to meet the top point

6 Along the folds, tuck the top parts of the triangles inside

7 Tuck the top triangle inside

8 Using your paper scraps, cut out 2 wings, 2 fangs and 2 eyes

Why not make your favourite character or create your own ghoul?

*Be careful using scissors.
Ask an adult to do this for you.

9 Glue on the wings, fangs and eyes, to make the battiest bat bookmark!
